

PUPPY CLASSES

Vital Vet puppy classes consist of **FIVE** sessions, including an online session, with access to resources via accredited Institute of Modern Dog Trainer, Laura Ryder and associates as well as a Puppy Workbook that gives you an insight on our puppy class and what to expect!
Classes are instructed by qualified, registered and experienced Veterinary Nurses who share a passion for puppy success!

ONLINE SESSION:

Dog behaviour presentation conducted by Certified IMDT trainer, Laura Ryder:

- 🐾 This is a compulsory **1-hour session** via YouTube video
- 🐾 Topics in this 1-hour video will include:
 - **How dogs communicate** – canine body language
 - **Socialisation:** how to confidently introduce puppy to new sounds, sights, smells, people, new dogs and environments.
 - **How dogs play:** how to approach politely, making new doggo friends and how to play appropriately.
 - **Dogs and children:** positive and FUN interactions together
 - **Creating the “Perfect Puppy”:** setting puppy up for success with good manners and social skills
 - **Enrichment ideas:** how to deal with puppy boredom, how to go about it and boredom buster ideas!
